If an individual makes you feel uncomfortable, unsafe, or is harassing you, notify someone right away. This behavior is NOT acceptable. If you are unsure of whom to notify, here are some suggested steps to take:

- * FIND ANOTHER WOMAN TO TALK WITH
- * NOTIFY THE HOST, MANAGEMENT, OR PRESIDENT OF THE CLUB
- * TALK TO A PERSON ON THE MEMBERSHIP COMMITTEE
- * CALL YOUR REGIONAL AANR PRESIDENT

It is vital to report the encounter on the same day it happens. Your courage will prevent future incidents from happening.
